The Company's profit after tax for Q2/2026 and the first 6 months of 2026 experienced a sharp increase compared to the same period in 2025 (with growth rates of 96.46% and 213.96% respectively, exceeding the 10% threshold that requires mandatory disclosure). This outstanding performance was primarily driven by the following factors:

- The Company successfully completed the merger of Viglacera Thang Long Joint Stock Company and Viglacera Hanoi Joint Stock Company into Viglacera Tien Son Joint Stock Company (completed on March 30, 2026). This strategic move expanded our production scale and optimized operational resources.

- Viglacera Tien Son Joint Stock Company initiated and executed product consumption and distribution contracts with Viglacera Thang Long Joint Stock Company, Viglacera Hanoi Joint Stock Company, and Viglacera Autoclaved Aerated Concrete Joint Stock Company starting from January 01, 2026.

These key factors significantly boosted net revenue from the sale of goods and rendering of services, while substantially improving the gross profit margin for both Q2/2026 and the first 6 months of 2026 compared to the same period last year. With this official letter, Viglacera Tien Son Joint Stock Company respectfully submits this explanation to the State Securities Commission, the Hanoi Stock Exchange, and our investors.

Sincerely thank you!!
